

# Pizza Equipment Pros

Skillfully crafted with safety and precision in mind, the Celme Electric Dicer can either cube or grate cheese, as well as many different vegetables needed as toppings in a pizzeria, ensuring that only the freshest ingredients are served to your guests. With built in safety measures as well as precision formed stainless steel, the Celme Dicer guarantees to be a long lasting device that creates the same superior quality product time and time again. For the freshest ingredients with a longer shelf life and lower cost, ditch pre-shredded products and buy a Celme!
